 Right Side Wall _____ width X _____ height

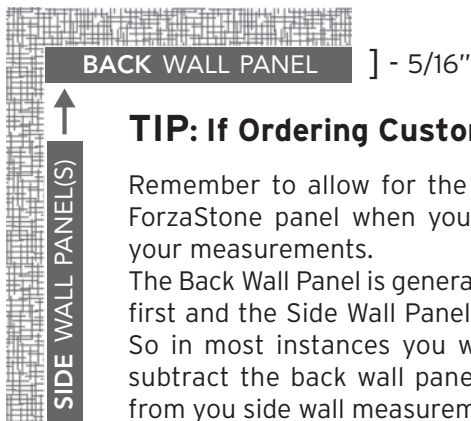

Additional Panels (if needed)

ForzaStone Panels come up to 60" x 96"

1st Panel _____ width X _____ height
 2nd Panel _____ width X _____ height
 3rd Panel _____ width X _____ height

Fixtures are shown for reference only. They can be on any wall.

TIP: If Ordering Custom Size

Remember to allow for the width of a ForzaStone panel when you determine your measurements.

The Back Wall Panel is generally installed first and the Side Wall Panels butt to it. So in most instances you will need to subtract the back wall panel thickness from you side wall measurements.

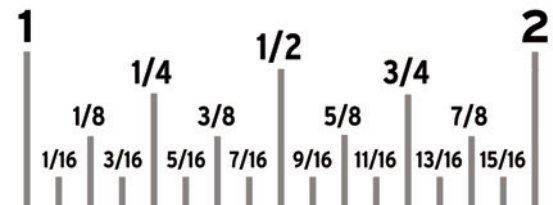

ForzaStone Panel Thickness: 5/16" (9mm)

Thickness Exceptions:

Marble White Carrara - " All Quartz - 3/8"

TIP: Grain Direction ↑

Marble and Travertine **Vein** panels have vertical grain. All other panels do not have vein direction.
